HEY FRENCH YOU COULD HAVE MADE THIS BUT YOU DIDN'T

BIANCO VENETO IGT
MULTIVINTAGE

*This wine is the most powerful expression of the vineyards on the Veronese side of Mount Calvarina, in the easternmost part of the Soave designation. A blend of the best 4 vintages of the last decade
2013 / 2015 / 2016 / 2017*

A wine with great potential for aging. A stylistic effort designed to obtain a unique complexity and structure through the skillful combination of the different characteristics represented by various vintages. When tasting, the different vintages are expressed in a long succession of hints and notes ranging from just-blooming flowers to chamomile, hazelnut, citrus, tropical fruit.
