

PASQUA

11 MINUTES ROSÉ

11 Minutes is the new rosé wine from Pasqua Vigneti e Cantine. The name 11 Minutes comes from the amount of time the grapes are pressed, to achieve an ideal color and taste. After the pressing, the must (young wine) is cooled and transferred to a steel tank for 11 hours, the required decanting time. After this, the must is again transferred and select yeasts added so fermentation can begin.
